Please use the back of this form if more space is required

Note: The medical profession takes the view that the parent's/carer's consent to medical treatment cannot be delegated. This view is explicit in The Children's Act 1989. Thus, medical consent forms have no legal status and a doctor or nurse insisting on the consent of a parent/carer to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents/carers signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents/carers or to have a Leader on hand able to sign forms required by medical authorities.

Visit to Scout Aviation Centre, Biggin Hill Airport Sunday Afternoon 21st March 2010

A trip has been arranged to visit the Scout Aviation Centre at Biggin Hill Airport.

The Scout Aviation Centre is the only such centre run by Scouts for Scouts and has many facilities for those Scout interested in aviation.

The main purpose of the visit is to take a tour of the airport including visiting the historic World War II remains, sitting in the cockpit of a light aircraft and tours of the fire section.

They also have a Comet Airliner Flight Simulator which we can probably look at.
