

22nd World Jamboree in Sweden

Dear Scout/Explorer,

From Tuesday 27th July to Saturday 7th August 2011 is the 22nd World Jamboree in Rinkaby, Sweden. As you will be between the ages of 14 and 18 during the World Jamboree you could represent. The World Jamboree will consist of a camp and home hospitality.

In Dartford the first stage of the selection process will be an interview. If successful you will then be invited to a selection weekend, during which you will need to give a presentation on a non Scouting topic.

As this is the World Jamboree, spaces are very limited. The cost of the camp is split between District and you, If you are selected you will need to undertake some major fund raising / sponsorship in order to raise the money.

The successful District representatives will need to attend up to at least eight training weekends, where you will meet and work with the rest of the Kent Scout Contingent.

Once the World Jamboree is over, we will require representatives to present a series of report backs to all sections within the District and of course at the District's A.G.M.

During the World Scout Jamboree you will be part of one of Kent Scouts two contingents; each contingent comprises of 36 Scouts and 6 Leaders. The Leaders will be on hand to give you every support and guidance you may require, and to ensure **you** have the experience of a lifetime at the 22nd World Scout Jamboree.

To register your interest to become one of Dartford Scout's District representative, please send the attached application to Wayne Tomkinson at 121 Keary Road, Swanscombe, Kent. DA10 0BX by the closing date of 6th November 2009.

There will be a parent information evening on Tuesday 3rd November at 8.00PM at Stone Pavilion, Hayes Road, Stone. Explaining what the world jamboree is all about.

In the meantime, if you do have any questions do not hesitate to contact us

Best of luck
